MILLERSTOWN AMBULANCE LEAGUE

2025 Subscription Application

2025 Service Subscription

Your subscription is very important to us and necessary to maintain our equipment, building and continuing training. Your support enables us to operate and maintain a level of preparedness which allows us to respond to emergency situations. We replaced our secondary unit with a 2015 low miles unit, not new but new to us. This has saved hundreds of thousands of dollars. We routinely have both ambulances in service and rotate them to save on wear and tear and mileage. Our call volume has doubled and the demand on our apparatus has increased as well. Our fire and ambulance personnel continuously take courses to maintain or increase their level of certifications. Any financial contributions would be greatly appreciated in order to keep our personnel safe and our equipment up to standards. With the help of your donations, we currently need to purchase safety gear due to increases in our personnel being called to dangerous situations. Updates are a Requirement by State & Federal Regulations.

While insurance companies are billed for ambulance and paramedic services they do not pay the bill in full. This results in you, the patient, being billed for the balance. This can be avoided by purchasing an MAL Subscription. The cost of emergency services could cost over \$1,960. For three calls, we will accept what insurance pays. We do not waive co-payments or deductibles.

Subscription coverage period is from January 1, 2025 (or once we receive your payment) through December 31, 2025. All subscriptions end on December 31, 2025 regardless of when the subscription was purchased. Subscriptions will NOT be retroactively dated in any circumstance.

The 2025 MAL subscription drive will include Advanced Life Support (ALS) coverage from Penn State Health Life Lion, LLC (PSHLL).
