## 2026 Service Subscription

Your subscription is very important to us and necessary to maintain our equipment, building and continuing training. Your support enables us to operate and maintain a level of preparedness which allows us to respond to emergency situations. We routinely have two ambulances in service and rotate them to save on wear and tear and mileage. Our call volume is over 650 calls. Our fire and ambulance personnel continuously take courses to maintain or increase their level of certifications. Any financial contributions would be greatly appreciated. With the help of your donations, we are able to keep up with required Federal and State mandates.

While insurance companies are billed for ambulance and paramedic services they do not pay the bill in full. This results in you, the patient, being billed for the balance. This can be avoided by purchasing a MAL Subscription. The cost of emergency services could cost over \$2,500. For three calls per covered person, we will accept what insurance pays. We do not waive co-payments or deductibles.

Subscription coverage period is from January 1, 2026 (or once we receive your payment) through December 31, 2026. All subscriptions end on December 31, 2026 regardless of when the subscription was purchased. Subscriptions will NOT be retroactively dated in any circumstance.

The 2026 MAL subscription drive will include Advanced Life Support (ALS) coverage from Penn State Health Life Lion, LLC (PSHLL).
